Description	Fee
Type 1 Permit	
Welding and Cutting	\$54.00
Welding or cutting operations except where the welding or cutting is performed in areas approved for welding by the fire official and is registered as a type B life hazard use;	
Open Flame/Torch for Roofing/Paint Removal	\$54.00
The use of a torch or flame-producing device to remove paint from, or seal membrane roofs on, any building or structure	
Open Flame/Entertainment Uses	\$54.00
The use of any open flame or flame-producing device, in connection with any public gathering, for purposes of entertainment, amusement, or recreation;	
Open Flame/Fire Extinguisher Training	\$54.00
The use of any open flame or flame-producing device in connection with the training of non-fire service personnel in fire suppression or extinguishment procedures;	
Bonfire	\$54.00
An outdoor fire utilized for ceremonial purposes. Size not larger than 5'x5'x5' and shall not burn for more than 3 hours.	
Tent/Air Supported Structures/Canopy	\$54.00
The erection, operation, or maintenance of any tent, tensioned membrane structure, or canopy, excluding those used for recreational camping purposes, that meets the criteria in (a)3xv(1) or (2) below shall require a Type 1 permit. Tents, tensioned membrane structures, or canopies greater than 16,800 square feet in area and greater than 140 feet in any dimension, whether one unit or composed of multiple units; remaining in place for more than 180 days; used or occupied between December 1 and March 31; having a permanent anchoring system or foundation; or containing platforms or bleachers greater than 11 feet in height shall be subject to the permitting requirements of the Uniform Construction Code (5:23-2.14).	
(1) The tent, tensioned membrane structure, or canopy is greater than 900 square feet and more than 30 feet in any dimension whether it is one unit or composed of multiple units, but 16,800 square feet or less in area and 140 feet or less in any dimension, whether it is one unit or composed of multiple units.	
(2) The tent, tensioned membrane structure, or canopy contains platforms or bleachers 11 feet or less in height;	
Group Overnight Stays	\$54.00
The occasional use of any non-residential occupancy other than Use Groups F, H or S for group overnight stays of persons over 2 1/2 years of age, in accordance with section F-709.0 of the Fire Prevention Code	
Possession or use of explosives or blasting agents	\$54.00
The possession or use of explosives or blasting agents, other than model rocketry engines regulated under 12:194;	
Multipurpose Room Occupancy 100 or more	\$54.00
The occasional use in any building of a multipurpose room, with a maximum permitted occupancy of 100 or more for amusement, entertainment or mercantile type purposes.	
Storage Class I Flammable Liquids 10 to 660 gallons	\$54.00
The storage or handling of class I flammable liquids in closed containers of aggregate amounts of more than 10 gallons, but not more than 660 gallons inside a building, or

Description	Fee
Type 1 Permit	
more than 60 gallons, but not more than 660 gallons outside a building.	
Storage Class 2 or 3A Combustible Liquids	\$54.00
The storage or handling of class II or IIIA combustible liquids in closed containers of aggregate amounts of more than 25 gallons, but not more than 660 gallons inside a building, or more than 60 gallons, but not more than 660 gallons outside a building.	
Permanent Cooking Operation	\$54.00
Any permanent cooking operation that requires a suppression system in accordance with 5:70-4.7(g) and is not defined as a life hazard use in accordance with 5:70-2.4.	
Public Assembly Use of Farm Building	\$54.00
The use as a place of public assembly, for a total of not more than 15 days in a calendar year, of a building classified as a commercial farm building under the Uniform Construction Code.	
Portable Kiosks /Displays in Covered Mall	\$54.00
Individual portable kiosks or displays when erected in a covered mall for a period of less than 90 days, and when not covered by a Type 2 permit;	
Temporary use as a special amusement building.	\$54.00
The temporary use of any building or portion thereof as a special amusement building for a total of not more than 15 days in a calendar year. (1) Use of a building or portion thereof as a special amusement building for a longer period shall require the issuance of a certificate of occupancy, pursuant to the Uniform Construction Code (5:23), for the new use. (2) Permits issued pursuant to this section shall require compliance with the requirements for special amusement buildings at 5:70-4.16.	
Outdoor combustible maze	\$54.00
The erection, operation, or maintenance of any outdoor combustible maze shall require a Type 1 permit if the outdoor combustible maze is less than six feet in height and does not contain electrical equipment. Outdoor combustible mazes that are six feet or greater in height or contain electrical equipment shall be subject to the permitting requirements of 5:23-2.14. (1) For the purposes of applying this requirement, an outdoor combustible maze is an attraction that lacks a roof and is designed to disorient patrons, reduce vision, present barriers, or otherwise impede the flow of traffic and does not consist solely of living rooted plants such as corn stalks or trees, but includes mazes created from plants that have been cut and attached to an object to support them. (A) Mazes consisting solely of living, rooted plants, such as corn stalks or trees, may be repaired using cut, replacement plants that are otherwise the same as those of which the maze is created without the need for a permit. (B) No permit shall be required for mazes up to 42 inches in height created of bales of hay or straw.	
Type 2 Permit	
Bowling Lane/Bowling Pin Refinishing	\$214.00
Bowling lane resurfacing and bowling pin refinishing involving the use and application of flammable liquids or materials;
