Doug Pszczolkowski, Hopewell Valley YMCA CEO

**RE: Public Presentation - Community Needs Assessment Survey Results  
August 13, 2009 7:00 - 8:00 PM**

---

Over the past year our organizations collaborated to better understand the needs of our community. Focus groups provided the foundation for constructing and distributing a valley wide survey.

We are excited to present the survey results and are inviting you to a public presentation of the survey results. Zeldis Research Associates of Pennington will present the findings.

The goal of the presentation is to educate community leaders and the public on the findings. There will also be an opportunity to ask questions.

**Community Needs Assessment Survey Results  
Tuesday, August 13  
7:00-8:00 PM  
Hopewell Train Station  
2 Railroad Place, Hopewell**

Please send at least one representative from your municipality/organization to this important public meeting.
