**Healthy Child – Well Baby Check-up** & immunizations for uninsured township residents is provided by the Lawrence Township Health Department. Preapproval is required. For information and appointments call 737-0120 ext 638

Free vaccines are also available through the NJ Vaccine for Kids programs.

Local area Provider can be located at <https://njiis.nj.gov/njiis/html/contactvfc.html>

Currently, children who are eligible to receive vaccines from the NJVFC Program must be within one of the following categories;

- Medicaid, Medicaid Managed Care, or NJ FamilyCare Plan A
- NJ FamilyCare Plans B, C and D
- American Indian or Alaskan Native
- Have no health insurance
- \*Have health insurance that does not pay for vaccine
- Underinsured: A child who has commercial (private) health insurance but the coverage does not include vaccines, a child whose insurance covers only selected vaccines (VFC-eligible for non-covered vaccines only), or a child whose insurance caps vaccine coverage at a certain amount. These children must be immunized at a Federally Qualified Health Center (FQHC) or rural health center to receive free NJVFC vaccine.
