

AARP Driver Safety Course

Driver Safety Program

The AARP Driver Safety Program is the nation's first and largest classroom refresher course designed especially for drivers 50 and older. Participants learn defensive techniques, new traffic laws, and rules of the road. Through interacting with one another, they find out how to safely adjust their driving to compensate for age-related changes in vision, hearing, and reaction time. Graduates receive a certificate of completion that entitles them to a reduction in their auto insurance premiums in NJ. Participants must attend both days to complete course, AARP membership is not required.
