2018 FIRE DISTRICT BUDGET

Narrative and Information Section

2018 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Hopewell Township Fire District No. 1

FISCAL YEAR: January 1, 2018 to December 31, 2018

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2018 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The total 2018 budget appropriations will increase by \$301,848.00 in comparison to the 2017 adopted budget.

Part of this is a result of an increase in administration and payroll costs, including contractual salary increases, 2018 pension contributions, contractual salary increases with resulting increases in fringe benefits, increased per-diem hourly rate, insurance increases, potential promotions, office supplies, printing needs, software maintenance contracts, Debt Service Interest payments, a fire services vehicle, uniform needs, vehicle repairs, station rental, legal services, cellphone and technology costs, increased quarterly contractor payments and increased equipment maintenance costs.

These increases are offset by reductions in Debt Service Principal payments and training costs, and use of Fund Balance.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised in taxation in the proposed 2018 budget will increase by \$203,094.00 in comparison to the 2017 adopted budget; thus causing the tax rate per \$100.00 of assessed valuation to increase to \$0.091. The District will utilize \$297,189 of Unrestricted Fund Balance and \$91,608.00 of Levy Cap Bank in the 2018 Budget to remain within the allowable 2% levy cap.

The Unrestricted Fund Balance is predicted to remain sufficiently funded to enable the Fire District to utilize these funds to balance future budgets. However, the Fire District is exploring ways to increase the revenues to some funding from motor vehicle accident reimbursement for emergency medical services from insurance companies.

The Commissioners will continue to strictly oversee the budget to ensure compliance and funding for the 2018 budget. The fire protection of the citizens and property owners will be the mandate of the Fire Commissioners. The Commissioners are well aware of future responsibilities of the public and will take measures to ensure public safety and compliance with state mandates.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The Fire District is utilizing Unrestricted Fund Balance and Levy Cap Balance to balance the budget and stay within the 2% Property Tax Levy Cap to be in compliance. The Fire District is not requesting any cap waiver in 2018.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

The Fire District passed a resolution for the Release of Restricted Funds for the purchase of a Sport Utility Vehicle for emergency response. A special meeting was held on November 30, 2017 and the public approved the release of funds.

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The Fire District continues to pay down the capital/lease debt service of the Hopewell Borough and Pennington Borough Fire Districts for fire apparatus payments and self contained breathing apparatus. The Fire District also continues to pay down the capital/lease debt service of the Union Fire Company & Rescue Squad and Hopewell Valley Emergency Services for self contained breathing apparatus, radios, and ambulances.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

Not Applicable.

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

Yes: Pennington First Aid Squad, New Jersey, \$65,000.

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$3,977,466,588
Proposed Tax Rate per \$100 of Assessed Valuation	\$0.091

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	X	Yes	If yes, how much is appropriated?	\$
----	---	-----	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?

No		Yes

WHEREAS, pursuant to the Uniform Shared Services and Consolidation Act (N.J.S.A. 40A:65-1 et seq.) and N.J.S.A. 26:2K-61, the Borough Board desires to contract with the

Township Board for provision of Primary Fire Protection and EMS services for the Area of Primary Responsibility; and

WHEREAS, the Township Board and the Borough Board are both "local units" and Primary Fire Protection are "shared devices" within the meaning of N.J.S.A. 40A:65-3;

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties hereto, intending to be legally bound hereby, covenant and agree for themselves, their successors and assigns as follows:

1: Scope of Services

The Borough Board agrees to provide fire protection and EMS services within the Area of Primary Responsibility and shall provide manpower and equipment, to include Apparatus, for such services as needed, and will employ standard practices when providing said services. In the event the Borough Board is unable to respond to either a fire or EMS call, the Borough Board shall use its best efforts to provide for a standby Fire or EMS Company. The Borough Board also agrees to enlist the aid and further advance the services of adjacent Fire and EMS Companies to assure the fullest protection within their area of primary responsibility.

2: Compensation

The Township agrees to pay an annual fee that shall represent a portion of the annually presented fire district budget of the Borough Board. The Township Board shall not be held responsible for the purchase or maintenance of equipment and facilities or any employee or employee related expenses of the Borough Board, unless specifically agreed. Said Annual Fee

shall be 70% of the total fire district budget of the Borough Board as approved by the voters or governing body.

3: Responsibilities of Parties

The Township Board and Borough Board both agree to indemnify and hold each other harmless from any demands, claims, suits, causes of action or demands, including attorneys' fees and costs and expenses of suit, which may arise as a result of the negligence of the Borough Board's operations pursuant to this Agreement.

This cause shall not preclude either Board from enforcing any rights or covenants as set forth in this Agreement.

The Township Board and Borough agree to each maintain LIABILITY coverage in a minimum amount of One Million Dollars (\$1,000,000.00) with each being named as an additional insured on the other's liability policy.

4: Representation and Reports

The Borough Board agrees to provide in-person representation at the Township Board monthly business meeting by a representative or agent of the Borough Board capable of responding to Township Board questions and/or taking requests by the Township Board back to the Borough Board for follow-up or action if required. The Borough Board agrees to provide the Township Board each month with a report of the number and types of calls to which the Borough Board's fire department and EMS responded during the month and with a year-end annual report setting forth the nature and total number of all calls responded to by the Borough Board within the area of primary responsibility. The Township Board may request additional

information in terms of reporting to which the Borough Board will respond if such information is reasonably attainable.

5: Effect of Agreement

The parties hereunto agree to bind themselves only to the terms of this Agreement. No legal liability of any kind is imposed on either party unless specifically set forth in this Agreement.

6: Purchase of Apparatus

During the term of any lease purchase, loan, or other type of financing utilized for the acquisition of any Apparatus used for Fire or EMS response calls, the respective interests of each party shall be the actual amount of all monies paid by each for the acquisition of the subject Apparatus.

By way of example, if a truck is purchased for a price of \$100,000, and Township Board paid \$70, 000 (70%) and Borough Board has paid \$30,000 (30%), pursuant to the terms of this Agreement, Hopewell Township may purchase Hopewell Borough's interest for \$30,000 and conversely Hopewell Borough may purchase Hopewell Township's interest for \$70,000.

Following the end on any lease purchase, lease, loan, or other instrument used for the acquisition of the Apparatus, the value shall be determined by the independent appraisal, performed by an independent appraiser who shall be selected by mutual agreement of the parties, or by other valuation mechanism acceptable to the parties. Upon a value being determined by the independent appraiser or other mechanism, the purchase price shall be determined by calculating the percentage of the purchase price paid by each party for the subject vehicle.

7: Apparatus

Should this agreement be terminated for any reason, or should the Borough Board no longer provide primary fire or EMS protection to that portion of Hopewell Township identified as Exhibit 'A', and other areas of Hopewell Township on a mutual aid basis, then with respect to all Apparatus purchased pursuant to this Agreement and all predecessor Agreements, either Board may notify the other of an intention to acquire the other Board's interest with the consent of the other Board.

8: Debt Service

The township Board, in accordance with N.J.S.A. 40A:4-45 through 45.47, may separate the debt service incurred for the purchase of capital equipment and apparatus referenced in paragraphs 6 and 7 above, including any increases or decreases in such debt service, from those amounts raised by taxation to fund its annual fire district budget by disclosure of such debt service amounts on the New Jersey Department of Community Affairs, Local Government Services unit, annual fire district budget worksheet. The amount disclosed shall be the Township Board's portion of the debt service for Capital Appropriations for capital equipment and Fire Apparatus as set forth in paragraphs 6 and 7 above, which shall be payable to the Borough Board as part of the Annual Fee arrangement set forth in paragraph 2 above.

9: LOSAP

The Township Board, in accordance with N.J.S.A. 40A:4-45 through 45.47, may separate all monies raised for the Length of Service Award Program ("LOSAP") from those amounts raised by taxation to fund its annual fire district budget, by disclosure of such amounts raised for LOSAP on the New Jersey Department of Community Affairs, Local Government

Services Unit, annual fire district budget worksheet. The amount disclosed shall be the Township Board's portion of the LOSAP payments made on behalf of the volunteer firefighters serving Hopewell Township pursuant to this Agreement. The Township Board's portion of the LOSAP payments contemplated in this paragraph shall be paid annually by the township Board to the LOSAP provider designated by the Borough Board in accordance with the percentage as stated in paragraph 2 above.

10: Term of Agreement

This Agreement shall be effective, retroactive to January 1, 2016, upon approval by the Township Board and the Borough Board and shall continue in full force and effect for five (5) years or until earlier terminated by either party. This Agreement may be terminated, effective on any anniversary date hereof, upon one (1) year's prior written notice of termination by either party.

11: Standards of Performance

On an annual basis, the respective Boards shall meet, negotiate and ultimately establish mutually agreed upon levels of service to be met by the Borough Board for Fire and EMS Calls. If at this annual meeting it is determined that the Borough Board is unable to provide the previously agreed upon levels of service, on a repetitive basis and to such degree that the purposes of this Agreement are detrimentally affected, the financial payments to the Borough Board provided for herein may be renegotiated to reflect the level of service actually provided.

12: Approval

The annual Fee due under this Agreement shall be contingent upon the approval of the Township Board's and Borough Board's respective Annual Fire District Budgets at their elections pursuant to N.J.S.A. 40A:14-72 *et seq.* In the event that either or both budgets are defeated at the respective annual election the parties shall negotiate the Annual Fee under this Agreement for the calendar year covered by the election.

13: Payments

Sums due and owing pursuant to this Agreement shall be paid in payments which will coincide with payments received by the Township Board from the Township Tax Collector pursuant to N.J.S.A. 40A: 14-79 *et seq.* Said payments shall be in the same percentage as the fees received by the Township Board and Tax Collector.

14: Apparatus

When the purchase of Fire or EMS Apparatus is deemed necessary by the Borough Board in order to provide the emergency fire and EMS protection to the Township Board as described in the Scope of Services in this Agreement, the respective Boards agree as follows:

The Borough Board has primary responsibility to provide a rolling ten-year Fire and EMS Apparatus Replacement Schedule listing the existing and any proposed additional Apparatus. The specifications for any new apparatus will be shared with the Township Board for their review and comment. The Borough Board will consider comments prior to initiating approval through Hopewell Borough municipal referendum and before soliciting public bids for the provision of the apparatus.

The Township Board will likewise initiate and obtain the approval of the eligible voters of Hopewell Township pursuant to the provisions of N.J.S.A. 40A:14-1 *et seq.*

The percentage of the apparatus cost to be contributed by each Board will be negotiated as part of the initial purchase planning. If no specific terms are set, the contribution ratio will be that set by Paragraph 2 of this document.

15: Sale of Fire or Emergency Medical Apparatus

In the event that the Borough Board desires to sell any Apparatus acquired with funds received from the Township Board, the Borough Board shall first notify the Township Board of such intent by certified mail. Upon receipt of notification, the Township Board shall have the option to elect to purchase said vehicle at the lowest of the following prices:

- (a) The amount paid by Hopewell Borough for the purchase of the subject vehicle. See example set forth in a paragraph 6 of this Agreement.
- (b) Any other amount agreed upon by the two Boards.

Should the Township Board intend to exercise its rights as set forth herein, it shall provide written notification to the Borough Board, within thirty days of receipt of notification, that the Township Board intends to exercise its option to purchase the apparatus.

Should the Township Board not exercise its rights to acquire said apparatus it shall be the responsibility of the Borough Board to dispose of the said apparatus. If the apparatus is sold, the proceeds will be applied to the fire district budget for the future purchase of new or replacement Apparatus or to fund the operating expenses of the Borough Board, thereby reducing the Annual Fire District Budget which is presented to the Township Board, and ultimately to the voters of

Hopewell Township and Hopewell Borough at their annual elections pursuant to N.J.S.A.

40A:14-72 *et seq.*

16: Complete Agreement

This Agreement sets forth the entire understanding of the parties as to the subject matter therein and may not be modified except in a writing executed by both parties.

17: Notices

18: Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey.

19: Dispute Resolution

In the event of any dispute under this Agreement and by mutual agreement between the parties, such disputes shall be settled by arbitration in accordance with the rules of the American Arbitration Association, and judgment upon the award may be entered in any Court having jurisdiction thereof. The arbitration shall be supervised by an independent mediator to be selected by the parties.

20: Waiver

Failure on any party to exercise any right provided for herein shall not be deemed to be a waiver of any right hereunder.

21: Successors

This Agreement shall be binding upon the parties- respective successors and permitted assigns.

22: Severability

4: Representation and Reports

The Pennington Board agrees to use its best efforts to provide in-person representation at least one of the Township Board's bi- monthly business meetings by a representative or agent of the Pennington Board capable of responding to Township Board questions and/or taking requests by the Township Board back to the Pennington Board for follow-up or action if required. The Pennington Board agrees to provide the Township Board each month with a report of the number and types of calls to which the Pennington Board's fire company responded during the month, and with a year-end annual report setting forth the nature and total number of all calls responded to by the Pennington Board within the area of primary responsibility. The Township Board may

request additional information in terms of reporting to which the Pennington Board will respond if such information is reasonably attainable.

5: Effect of Agreement

The parties hereunto agree to bind themselves only to the terms of this Agreement. No legal liability of any kind is imposed on either party unless specifically set forth in this Agreement.

6: Purchase of Apparatus

During the term of any lease purchase, loan, or other type of financing utilized for the acquisition of any Apparatus used for fire response calls, the respective interests of each party shall be the actual amount of all monies paid by each for the acquisition of the subject Apparatus.

By way of example, if a truck is purchased for a price of \$100,000, and Township Board paid \$76,000 (76%) and Pennington Board has paid \$24,000 (24%), pursuant to the terms of this Agreement, Hopewell may purchase Pennington's interest for \$24,000 and conversely Pennington may purchase Hopewell's interest for \$76,000.

Following the end of any lease purchase, lease, loan, or other instrument used for the acquisition of the Apparatus, the value of the apparatus shall be determined by the independent appraisal, performed by an independent appraiser who shall be selected by mutual agreement of the parties, or by other valuation mechanism acceptable to the parties. Upon a value being determined by the independent appraiser or other mechanism, the purchase price shall be determined by calculating the percentage of the purchase price paid by each party for the subject vehicle.

7: Apparatus

Should this agreement be terminated for any reason, or should the Pennington Board no longer provide primary fire protection to that portion of Hopewell Township identified as Exhibit 'A', and other areas of Hopewell Township on a mutual aid basis, then with respect to all Apparatus purchased pursuant to this Agreement and all predecessor Agreements between the parties, either Board may notify the other of an intention to acquire the other Board's interest with the consent of the other Board.

8: Debt Service

The Township Board, in accordance with N.J.S.A. 40A:4-45 through 45.47, may separate the debt service incurred for the purchase of capital equipment (apparatus) referenced in paragraphs 6 and 7 above, including any increases or decreases in such debt service, from those amounts raised by taxation to fund its annual fire district budget by disclosure of such debt service amounts on the New Jersey Department of Community Affairs, Local Government Services unit, annual fire district budget worksheet. The amount disclosed shall be the Township Board's portion of the debt service for Capital Appropriations for Fire Apparatus as set forth in paragraphs 6 and 7 above, which shall be payable to the Pennington Board as part of the Annual Fee arrangement set forth in paragraph 2 above.

9: LOSAP

The Township Board, in accordance with N.J.S.A. 40A: 4-45 through 45.47, may separate all monies raised for the Length of Service Award Program ("LOSAP") from those amounts raised by taxation to fund its annual fire district budget, by disclosure of such amounts raised for LOSAP on the New Jersey Department of Community Affairs, Local Government

Services Unit, annual fire district budget worksheet. The amount disclosed shall be the Township Board's portion of the LOSAP payments made on behalf of the volunteer firefighters serving Hopewell Township pursuant to this Agreement. The Township Board's portion of the LOSAP payments contemplated in this paragraph shall be paid annually by the Township Board to the LOSAP provider designated by the Pennington Board in accordance with the percentage as stated in Paragraph 2 above.

10: Term of Agreement

This Agreement shall be effective, retroactive to January 1, 2016, upon approval by the Township Board and the Pennington Board and shall continue in full force and effect for five (5) years or until earlier terminated by either party. This Agreement may be terminated, effective on any anniversary date hereof, upon at least one (1) year's prior written notice of termination by either party.

11: Standards of Performance

In January of each year of this Agreement the respective Boards shall meet, negotiate and ultimately establish mutually agreed upon levels of service to be met by the Pennington Board for Fire and Emergency Calls. If at this annual meeting it is determined that the Pennington Board is unable to provide the previously agreed upon levels of service, on a repetitive basis and to such degree that the purposes of this Agreement are detrimentally affected, or it is determined that the levels of service provided by the Pennington Board have appreciably increased from those previously agreed upon, financial payments to the Pennington Board provided for herein may be renegotiated to reflect the level of service actually provided. Any financial adjustment will not become effective until at least the next calendar year's fire district budget and will have

no effect on the previously determined percentage of the acquisition costs to be paid by each party for apparatus and capital equipment already under contract or previously approved by the voters of Hopewell Township and Pennington Borough.

12: Approval

The Annual Fee due under this Agreement shall be contingent upon the approval of the Township Board's and Pennington Board's respective Annual Fire District Budgets at their elections pursuant to N.J.S.A. 40A:14-72 *et seq.* In the event that either or both budgets are defeated at the respective annual election, if necessary the parties shall negotiate the Annual Fee under this Agreement for the calendar year covered by the election.

13: Payments

Sums due and owing pursuant to this Agreement shall be paid in payments which will coincide with payments received by the Township Board from the Township Tax Collector pursuant to N.J.S.A. 40A: 14-79 *et seq.* Said payments shall be in the same percentage as the fees received by the Township Board from Tax Collector.

14: Apparatus

When the purchase of Fire Apparatus is deemed necessary by the Pennington Board in order to provide the emergency fire protection to the Township Board as described in the Scope of Services in this Agreement, the respective Boards agree as follows:

The Pennington Board has primary responsibility to provide a rolling ten-year Fire Apparatus Replacement Schedule listing the existing and any proposed additional Apparatus. The specifications for any new apparatus will be shared with the Township Board for their

review and comment. The Pennington Board will consider comments prior to initiating approval through Pennington Borough municipal referendum and before soliciting public bids for the provision of the apparatus.

The Township Board will likewise initiate and obtain the approval of the eligible voters of Hopewell Township pursuant to the provisions of N.J.S.A. 40A:14-1 *et seq.*

The two Boards shall agree on the percentage of the cost to be contributed by each Board which shall in no event be higher than that of the annual compensation set forth in Paragraph 2.

15: Sale of Fire Apparatus

In the event that the Pennington Board desires to sell any Apparatus acquired with funds received from the Township Board, the Pennington Board shall first notify the Township Board of such intent by certified mail. Upon receipt of notification, the Township Board shall have the option to elect to purchase said vehicle at the lowest of the following prices:

(a) The amount paid by Pennington for the purchase of the subject vehicle. See example set forth in a paragraph 6 of this Agreement.

(b) Any other amount agreed upon by the two Boards.

Should the Township Board intend to exercise its option to purchase the apparatus, within thirty days of its receipt of the Pennington Board's notice the Township Board shall provide written notification to the Pennington Board that the Township Board intends to purchase the apparatus.

Should the Township Board not exercise its rights to acquire said apparatus it shall be the responsibility of the Pennington Board to dispose of the said apparatus. If the apparatus is sold, the proceeds will be applied to the fire district budget for the future purchase of new or replacement Apparatus or to fund the operating expenses of the Pennington Board, thereby reducing the Annual Fire District Budget which is presented to the Township Board, and ultimately to the voters of Hopewell Township and Pennington Borough at their annual elections pursuant to N.J.S.A. 40A:14-72 et seq.

16: Complete Agreement

This Agreement sets forth the entire understanding of the parties as to the subject matter therein and may not be modified except in a writing executed by both parties.

17: Notices

Unless otherwise stated herein, any notices or communications under this Agreement shall be in writing and shall be hand-delivered, mailed or e-mailed to the party receiving such communication at the address specified above or such other address as either party may in future specify to the other party.

18: Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New Jersey.

19: Dispute Resolution

In the event of any dispute under this Agreement and by mutual agreement between the parties, such disputes shall be settled by arbitration in accordance with the rules of the American

Arbitration Association, and judgment upon the award may be entered in any Court having jurisdiction thereof. The arbitration shall be supervised by an independent mediator to be selected by the parties.

20: Waiver

Failure on any party to exercise any right provided for herein shall not be deemed to be a waiver of any right hereunder.

21: Successors

This Agreement shall be binding upon the parties' respective successors and permitted assigns.

22: Severability

In the event anyone or more of the provisions of this Agreement or any Schedule is invalid or otherwise unenforceable, the enforceability of remaining provisions shall be unimpaired.

ADDENDUM

The Pennington Board will endeavor to develop policies and procedures geared to lowering the ISO rating of the Borough and the regional districts.
