2019 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Hopewell Township Fire District # 1

FISCAL YEAR: January 1, 2019 to December 31, 2019

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2019 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The total 2019 budget appropriations will increase by \$792,458.00 in comparison to the 2018 adopted budget.

Part of this is a result of a capital project valued at \$520,000 to replace an underground sprinkler tank. Other variances are a result of increases in administration and payroll costs, contractual salary increases, 2019 pension contributions, contractual salary increases with resulting increases in fringe benefits, insurance increases, promotions, office supplies, printing needs, software maintenance contracts, Debt Service Principal & Interest payments, fire apparatus, uniform needs, vehicle repairs, station rental, legal services, changes in State Contract vendors, cellphone and technology costs, increased quarterly contractor payments and increased equipment maintenance costs.

These increases are offset by use of \$332,256 from Fund Balance and \$520,000 from Restricted Fund Balance.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised in taxation in the proposed 2019 budget will increase by \$290,133.00 in comparison to the 2018 adopted budget; thus causing the tax rate per \$100.00 of assessed valuation to increase to \$.097. The District will utilize \$332,256 of Unrestricted Fund Balance and \$520,000 of Restricted Fund Balance in the 2019 Budget to remain within the allowable 2% levy cap.

The Unrestricted Fund Balance is predicted to remain sufficiently funded to enable the Fire District to utilize these funds to balance future budgets. However, the Fire District is exploring ways to increase the revenues to some funding from motor vehicle accident reimbursement for emergency medical services from insurance companies.

The Commissioners will continue to strictly oversee the budget to ensure compliance and funding for the 2019 budget. The fire protection of the citizens and property owners will be the mandate of the Fire Commissioners. The Commissioners are well aware of future responsibilities of the public and will take measures to ensure public safety and compliance with state mandates.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The Fire District is utilizing Unrestricted Fund Balance and Restricted Fund Balance to balance the budget and stay within the 2% Property Tax Levy Cap to be in compliance. The Fire District is not requesting any cap waiver in 2019.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

N/A

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The Fire District continues to pay down the capital/lease debt service of the Hopewell Borough and Pennington Borough Fire Districts for fire apparatus payments, firehouse improvements, and self-contained breathing apparatus. The Fire District also continues to pay down the capital/lease debt service of the Union Fire Company & Rescue Squad and Hopewell Valley Emergency Services for self-contained breathing apparatus and ambulances.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

N/A

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

Yes, Pennington First Aid Squad, Pennington, New Jersey: \$65,000

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$3,961,291,400
Proposed Tax Rate per \$100 of Assessed Valuation	\$.097

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	X	Yes		If yes, how much is appropriated?	\$
----	---	-----	--	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?
