2020 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Hopewell Township Fire District No. 1

FISCAL YEAR: January 1, 2020 to December 31, 2020

Answer all questions below. Attach additional pages and schedules as needed.

1. When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?

November. Yes, the resolution was submitted to the Division.

2. Complete a brief statement on the 2020 proposed Annual Budget and make comparison to the 2019 adopted budget.

The total 2020 budget appropriations will decrease by \$243,673

3. Explain any variances over +/-10% for each line item. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The decrease is a result of a capital project that was funded in 2019 and is not funded in 2020. Other variances are a result of increases in administration and operational payroll costs, contractual salary increases, anticipated costs for legal services and engineering services, training courses, station rental costs, and decreases where funding was not necessary for Board uniforms, consultants services, employment testing, public relations services, election ballot printing, debt service interest, insurance deductible, hydrant charges.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation in the proposed 2020 budget will increase by \$101,527 in comparison to the 2019 budget, thus causing the tax rate per \$100.0 of assessed valuation to increase to \$1.00. The District will utilize \$506,579 of Unrestricted Fund Balance and \$0 of Restricted Fund Balance in the 2020 Budget to remain within the allowable 2% levy cap.

The Unrestricted Fund Balance is predicted to remain sufficiently funded to enable the Fire District to utilize these funds to balance future budgets. However, the Fire District is exploring ways to increase the revenues to some funding from motor vehicle accident reimbursement for emergency medical services from insurance companies.

The Commissioners will continue to strictly oversee the budget to ensure compliance and funding for the 2020 budget. The fire protection of the citizens and property owners will be the mandate of the Fire Commissioners. The Commissioners are well aware of future responsibilities to the public and will take measures to ensure public safety and compliance with state mandates.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The Fire District is utilizing Unrestricted Fund Balance to balance the budget and stay within the 2% Property Tax Levy Cap to be in compliance. The Fire District is not requesting any cap waiver in 2020.

6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2020 proposed operating budget, explain the reason and purposes of the appropriation.

N/A

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.

The Fire District continues to pay down the capital/lease debt service of the Hopewell Borough and Pennington Borough Fire Districts for fire apparatus payments, firehouse improvements, and self-contained breathing apparatus. The Fire District also continues to pay down the capital/lease debt service of the Union Fire Company & Rescue Squad and Hopewell Valley Emergency Services for ambulances and fire and rescue apparatus.

8. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

N/A

9. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

Yes, Pennington First Aid Squad, Pennington, New Jersey: \$66,300

10. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$ 3,959,546,070
Proposed Tax Rate per \$100 of Assessed Valuation	\$100

11. Is the Fire District providing for a first-year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	X	Yes	If yes, how much is appropriated?	\$
----	---	-----	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?

No		Yes
