Speaker Series: St. Michael's Orphanage - A Visual History: Wednesday, May 8, 7:00-8:30 pm at The Hopewell Presbyterian Church Fellowship Hall, 80 West Broad Street, Hopewell. What was St. Michael's Orphanage? Some know it from old photos, with the large forbidding building standing alone in an empty field. And many now know it as the over 400-acre D&R Greenway St. Michael's Farm Preserve, just outside Hopewell Borough, with few visible remnants of its past use. In this presentation, Doug Dixon provides a visual history of St. Michael's, using photos and memories from a variety of contributors. We will "walk" behind the building to see kids playing on the playground and around the grounds. Then we will go inside the building to see the children in the nursery, school rooms, chapel, dining room, and dorm rooms. This event can be attended in-person or via Zoom.

Talk and Tour at the Sked Street Bonsai Garden—Wednesday, May 15, 1:30pm—3:30pm. Join us for a lecture on bonsai basics, a guided garden tour, and a Q&A session at the Sked Street Bonsai Garden. The exact location will be given to registrants prior to the event. Discover the basics of Bonsai with Carl Stern at the Sked Street Bonsai

Garden, the location of the Central Jersey Bonsai Club. Learn about the history, design, care, and maintenance regarding this craft. The Sked Street Bonsai Garden includes over 100 trees and more than 50 species. Some of these trees have been "in training" for over 20 years. This is Mr. Stern's 39th year of "doing Bonsai." The garden provides the feeling of being in a small, relaxing sanctuary with the new landscaping and enclosure. Registration is required.
