Laughter:

The Secret to Growing Older Gracefully

Friday, July 11, 2025

10:30am – 11:30am

Hopewell Township Municipal Building
201 Washington Crossing-Pennington Road, Titusville

You probably already know that laughter is good for you because it makes you feel good. That's just the tip of the iceberg; the benefits of laughter go far beyond that immediate good feeling.

George Scherer has performed in comedy clubs in the Greater New Jersey area, which includes Philadelphia and New York city. Affectionately called the "funniest man in the world" by his four-year-old granddaughter, George now embraces the role of humorist. Unlike comedians who aim for quick laughs, humorists like George weave humor into insightful messages to enrich the quality of both personal and professional lives.

Join us for this special event and discover how laughter can enhance your life and the lives of those you care about.
