GrandPals! The GrandPals program builds friendships between elementary school children and seniors in their community. In this program, an older adult is matched with two to three young learners, providing a wonderful opportunity for different generations to get to know one another and share a love of reading.

We are expanding our program to FOUR elementary schools during the 2025–2026 school year: Bear Tavern, Hopewell, Stony Brook and Toll Gate! The program will take place at the schools weekly during the school year. The GrandPals will meet with the kindergartners for about 30 minutes.

We will be hosting an information session on Tuesday, August 19th at 10:00am for all GrandPals old and new who are interested in participating in the 2025-2026 program. If you are interested in volunteering or have any questions about the program, please do not hesitate to contact Senior Services.
