WELLNESS WATCH TIP: October is National Depression and Mental Health Screening Month:

4 Things to Know about Depression & Older Adults

1. Signs and symptoms of depression vary from person to person. Look for changes in your mood or your interest in participating in activities.
2. Depression can be treated. If you have symptoms of depression that last for more than two weeks, talk with your doctor.
3. Get support from family and friends.
4. A healthy lifestyle can help feelings of depression. Staying active, eating a healthy diet, getting enough sleep, and connecting with friends and family can benefit your mental health.
