# 2025 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Hopewell Township FD No. 1

**FISCAL YEAR: January 1, 2025 to December 31, 2025**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

1. When is the Fire District's annual election? (February and/or November)

If November, was the resolution submitted to the Division?

November

2. Complete a brief statement on the 2025 proposed Annual Budget and make comparison to the 2024 adopted budget.

The 2025 proposed budget has a modest overall increase of 8.2% over our 2024 budget. The increase is the result of our emergency operations expanding, rising costs, and emergency radios that require replacement due to obsolescence.

3. **Explain any variances over +/-10% for each line item.** Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The 2025 budget reflects an increase in interest on investments of 495% or \$24,964 as a result of successfully renegotiating our bank arrangements. In addition, the District implemented a new ambulance billing agreement beginning in 2025 that will generate an estimated new revenue of \$122,000. The decrease of \$74,770 in grant revenue is the result of not having the 2024 grant in 2025. This has no impact on the budget since the offsetting expense for the grant is also not in the 2025 budget. Despite all of the improvements made to generate new revenues in 2025 we are still operating with a dependence on surplus primarily due to expense increases that are beyond our control and the imbalances in our shared service agreements which are currently under negotiation. The result in 2025 is an increase of 34% surplus usage or an amount of \$720,801.10.

On the appropriations side of the budget, we saw the total administration appropriation increase by 10.7% or \$51,032.94. This was primarily the result of hiring an Administrative Assistant to help with daily activities. This position has been vacant for several years. The deferred charges fell off in 2025 and we do not anticipate an emergency appropriation of any kind, so that decreased by 100%, or \$30,000. We saw an 16.1% increase of \$33,200 in our LOSAP line item as we have been able to increase our volunteer ranks this past year. The capital appropriations increased 33.3%, or \$20,000 with the cost of inflation and increase in the cost of a vehicle we need to run our operation. Lastly, we see a decrease in our debt service by 14.4% or \$7,787.89.

To add further detail to the above the line item Health Benefits increased 44.3% for the following reasons: an increase in the overall State Health Benefits cost of 16% combined with the addition of a new retiree at 100% of cost and a new entry level hire with family benefits. Administrative Salaries increased 100% with the addition of a new staff member. Administrative Fringe increased for the same reason. Cost of Operations Maintenance Personnel Fringe is up primarily due to the 16% increase in State Health Benefits. In the section entitled Cost of Operations Maintenance Other - Other Operations are up 13.35 primarily due to increases in shared service agreements. NJDCA Grants and Elizabethtown Grants are down 100% because they were not available in 2025. Other Assets Non Bondable #1 and #2 are up 462.6% and 67.4% due to the cost of replacement radios. Appropriations Fringe is down 37.7% as the result of an employee declining medical benefits. Emergency appropriations are down 100% because there were none in 2024. LOSAP has increased 16.1% due to an increase in volunteers. Capital has increased 33.3% due to changes in programming year to year. Debt interest is down due to the maturing of outstanding debt.

# 2025 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Hopewell Township FD No. 1

**FISCAL YEAR: January 1, 2025 to December 31, 2025**

***Answer all questions below using the space provided. Do not attach answers as a separate document.***

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation in the proposed 2025 budget will increase by \$219,897.31 in comparison to the 2024 budget causing the tax rate per \$100.00 of assessed valuation to increase to \$0.1210. The Fire District will utilize \$720,801.10 of Unrestricted Fund Balance to remain within the 2% Levy Cap. The Commissioners will continue to strictly oversee the budget to ensure compliance and funding availability. Fire prevention and protection of the citizens and property owners of Hopewell Township will be the main focus of the Fire Commissioners.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

No

6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2025 proposed operating budget, explain the reason and purposes of the appropriation.

N/A

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.

The Fire District continues to pay down the debt service to Hopewell Borough Fire District No.1 and Pennington Borough Fire District No.1 for fire apparatus. The Fire District also continues to pay down bank bonds for a fire apparatus and a marine unit. The Fire District is also planning to purchase a vehicle not to exceed \$80,000 for emergency response and fire inspection duties.
