

UTILITY BILLING EXPLAINED

ELSA Service District-

Properties located in the Brandon Farms area, with water provided by Trenton Water Works:

Ordinance #13-1574 established the rate of \$11.41 per 1,000 gallons. This rate is converted to cubic feet: $\$11.41 \times 7.48052 =$
\$8.54 per 1,000 cubic feet.

Readings are completed by Trenton Water Works, and provided to the Township. Irrigation meters are read by the Township Public Works Department. Irrigation readings are deducted from the TWW readings to obtain net usage. Net usage is multiplied by the rate of \$8.54.

Billing is due quarterly on March 1, June 1, September 1 and December 1. Payment must be made by the last business day of the month of billing to avoid interest. This period is considered the 'grace period'.

Properties located in the Brandon Farms area that rely on wells for water:

Ordinance #13-1574 established a flat quarterly rate of \$132.74 for a 1 bedroom house; \$199.13 for a 2 bedroom house; and \$265.50 for a 3 or more bedroom house.

Billing is due quarterly on March 1, June 1, September 1 and December 1. Payment must be made by the last business day of the month of billing to avoid interest. This period is considered the 'grace period'.

Stony Brook Service District-

Ordinance #13-1588 established the flat rate of \$385.00 per quarter.

Billing is due quarterly on January 1, April 1, July 1 and October 1. Payment must be made by the last business day of the month of billing to avoid interest. This period is considered the 'grace period'.

Washington Water-

Ordinance #12-1561 established the minimum water billing at \$75.00 for zero to 6,000 gallons of water. A rate schedule was created with step increments of 3,000 gallons up to 35,000 gallons.

Billing is due quarterly on January 10, April 10, July 10 and October 10. Payment must be made by the last business day of the month of billing to avoid interest. This period is considered the 'grace period'.
