## **Re: County of Mercer - Rosedale Park Completely Inclusive Playground Improvements**

To Whom It May Concern:

On behalf of the Hopewell Township Administration, I am pleased to express our full support for the Rosedale Park Completely Inclusive Playground Improvements Project. This initiative is a vital step toward fostering a more inclusive and welcoming community, aligning perfectly with our township's values and goals.

Hopewell Township takes pride in its vibrant parks and recreational spaces, which contribute significantly to the quality of life for our residents. However, we recognize the need for enhancements to ensure that these spaces are accessible to all, regardless of physical or cognitive abilities. The proposed inclusive playground at Rosedale Park will fill this need by offering thoughtfully designed features, such as sensory play panels, adaptive swings, and wheelchair-accessible pathways, ensuring that every child and family can fully participate in recreational activities.

We applaud Mercer County's proactive approach in pursuing funding under Jake's Law and their dedication to improving accessibility and inclusion within our region. As a partner in this effort, Hopewell Township is eager to support the project's implementation and collaborate on any necessary measures to make it a success.

We respectfully urge the NJ DEP Jake's Law Program to approve Mercer County's application and help us make this vision a reality for our community. Thank you for your time and consideration.

Sincerely,

Courtney Peters-Manning  
Mayor
