Subject: Letter of Support for the ARC Mercer Group Homes Project, Hopewell Township

Dear Mercer County HOME Project Funding Committee:

On behalf of the Township of Hopewell, I am pleased to offer our strong support for the ARC Mercer's proposed group homes project in our community. We understand this initiative is being submitted for HOME funding, and we believe it fully aligns with the program's mission of providing safe, accessible, and supportive housing.

ARC is proposing the development of four special needs group homes for adults with developmental disabilities through a combination of new construction and the rehabilitation of vacant homes on farmland within Hopewell Township. This innovative approach will not only expand much-needed housing opportunities, but it will also foster a unique live and work environment for its residents. Importantly, this project advances the Township's affordable housing goals and was included in the Township's Fourth Round affordable housing plan.

We fully support ARC's request for HOME funding to help bring this vital project to fruition. The Township of Hopewell is confident this development will be an asset to our community and we respectfully urge you to give the application your full and favorable consideration.

Sincerely,

Courtney Peters-Manning  
Mayor, Township of Hopewell
