Service SPOTLIGHT

THIS MONTH:
HOPEWELL TOWNSHIP POLICE DEPARTMENT

About the Hopewell Township Police Department:

The Hopewell Township Police Department is dedicated to serving as the guardians of the Hopewell Valley community through collaboration, compassion, and respect. For this month's Service Spotlight, the Township would like to recognize and thank all our officers for everything they do to keep our community safe. We would also like to highlight the \$600,000 State Grant they recently received to renovate their dispatch and communications center. This includes state-of-the-art technology that will allow the department to better serve the community. The new system can be seen pictured in the left-hand corner. Congratulations!
