

Dear Friend:

Mercer County is offering assistance to income eligible homeowners through two programs, Housing Rehabilitation Program and Helping Hands for Seniors Program. These programs offer assistance for repairs and improvements to the homes of qualifying residents. Safety, health and/or municipal code violations will be targeted.

These programs offer the opportunity to maintain a safe and functioning living environment for eligible families.

The Mercer County Consortium is able to provide financial assistance with funds provided by the United States Department of Housing & Urban Development (HUD). The Mercer County Consortium acquired these funds as part of the HOME Investment Partnerships Program Grant.

If you are interested in participating in either one of these programs, I invite you to contact the Mercer County Office of Housing & Community Development at (609) 989-6858 to determine your eligibility to receive assistance.

Sincerely,
