

TOWNSHIP of HOPEWELL

MERCER COUNTY

OFFICE OF THE MAYOR

JULIE BLAKE
Mayor

Dear Property Owner,

You are receiving this letter and official notice because you live in (or close to) the Hopewell Township Valley Resource Conservation (VRC) Zoning District. The Township is considering an ordinance that would add cannabis cultivation and associated cannabis processing/manufacturing as conditional uses in some areas of the zoning district, pursuant to the new cannabis laws that were recently adopted in New Jersey. New Jersey law requires that when new uses are proposed in a zoning district, every property owner in the zoning district, and within 200 feet of the zoning district, must receive a formal notice, which is enclosed, entitled, "Notice of Hearing on Amendment to Zoning Ordinance Pursuant to N.J.S.A. 40:55D-62.1."

However, it is important to note that the locations within the VRC District where cannabis businesses would be allowed as conditional uses under the proposed ordinance are limited. Specifically, cannabis cultivators and manufacturers may only be considered as conditional uses on lots that are:

- (1) at least 50 acres;
- (2) located on a state or county road; and,
- (3) located no more than two miles from interstate interchange (i.e., I-295).

The enclosed map displays the area within the VRC District in which cannabis cultivators and manufacturers may be considered as conditional uses.

The proposed ordinance contains standards for security, noise control, odor control, pollen control, water use, stormwater management, and screening. Additionally, the proposed ordinance establishes the maximum permissible local tax on such businesses, to be paid to the Township. Additional information about the proposed ordinance and the hearing can be found in the enclosed official notice, and the full text of the ordinance can be found by visiting this link:
